ABOUT PASTOR RESOURCES

“Our men’s ministry director told me he was searching for resources and found PastorResources.com. While reading an article, he told his wife that ‘it sounded just like Pastor Adams’ story.’ He read to the end and found out that it was in fact my story! How’s that for an organic reach for PastorResources.com? Awesome!”
- Pastor John Adams | New Life Church | Sandusky, OH

In 2002, we set out to help pastors.

Over the last 19 years, the channels we’ve developed to accomplish this goal have evolved.

What we’ve discovered in this process is when you genuinely desire to help pastors, versus simply chasing numbers, the experience described above is the outcome: trustworthy and targeted content continues to produce a desirable audience.

If your goal is “millions of Christians worldwide”, Pastor Resources is probably not for you. However, if you’re desiring to come alongside decision-makers within active and growing churches who need your products and services, you won’t find a better fit.

Between our unique lead generating platform, eBlasts, online display ads, and our Pastor Box subscription service, we’ll help you reach these pastors. We can also help you decide on the best channel for you.

In the 18 years that Pastor Resources has been in circulation, thousands of pastors have opted into our e-mail list. These are the same responsive pastors that generate the leads for our clients in our PR Guide. Our clients receive average open rates between 10-15% with 3-10% average CTR. With the right offer, some of our advertisers have seen clicks as high as 25%!

Please note: In order to maintain the size and quality of our list, we screen all campaigns to ensure there’s a clear and powerful benefit to our pastors, and we prefer to include a free offer in every campaign. In either case, ALL exclusive e-blasts require the JCA Company staff approval prior to scheduling.
